Background

Additional information from the original notice is reprinted below.

As stated in Executive Order 14019, Promoting Access to Voting,¹ the right to vote is the foundation of American democracy. Under section 7 of Executive Order 14019, (Ensuring Equal Access for Voters with Disabilities), NIST is directed to evaluate the steps needed to ensure that the online Federal Voter Registration Form is accessible to

people with disabilities and identify barriers to private and independent voting for people with disabilities and make recommendations to remove these barriers. NIST is seeking public comment on the Draft *Promoting Access to Voting: Recommendations for Addressing Barriers to Private and Independent Voting for People with Disabilities* document. The Draft was developed by NIST using information collected through the Request for Information (RFI) that was published in the **Federal Register** on June 16, 2021, review of reports, papers and other literature, and engagement with stakeholder organizations and election officials.

Request for Comment:

NIST seeks public comments on the draft *Promoting Access to Voting: Recommendations for Addressing Barriers to Private and Independent Voting for People with Disabilities* document and the draft recommendations contained in it regarding both the Federal Voter Registration Form as well as the barriers it has identified that prevent people with disabilities from exercising their fundamental rights and the ability to vote privately and independently. NIST is seeking comment from persons with disabilities, disability advocacy groups, assistive technology vendors and professionals, non-partisan voting promotion groups, voting technology vendors, election officials and other key stakeholders.

The Draft is available electronically from the NIST website at:

<https://www.nist.gov/itl/voting> as well as www.regulations.gov. A comment template is available at: <https://www.nist.gov/itl/voting>. Use of the comment template is suggested but not required. Interested parties should submit comments in accordance with the DATES and ADDRESSES section of this notice.

Comments containing references, studies, research, and other empirical data that are not widely published should include copies of the referenced materials. All submissions,

including attachments and other supporting materials, will become part of the public record and subject to public disclosure. NIST reserves the right to publish relevant comments publicly, unedited and in their entirety. All relevant comments received will be made publicly available at <https://www.nist.gov/itl/voting> and [regulations.gov](https://www.nist.gov/itl/regulations).

Personally identifiable information (PII), such as street addresses, phone numbers, account numbers or Social Security numbers, or names of other individuals, should not be included. NIST asks commenters to avoid including PII as NIST has no plans to redact PII from comments. Do not submit confidential business information, or otherwise sensitive or protected information. Comments that contain profanity, vulgarity, threats, or other inappropriate language or content will not be considered. NIST requests that commenters, to the best of their ability, only submit attachments that are accessible to people who rely upon assistive technology. A good resource for document accessibility can be found at: [section508.gov/create/documents](https://www.section508.gov/create/documents).

Authority: Exec. Order No. 14019, Promoting Access to Voting, 86 FR 13623 (Mar. 07, 2021).
